HIGH MARK'S FURNITURE — SERVING A MULTITUDE OF YOUR LAUNDRY NEEDS

High Mark Manufacturing, Inc. makes the highest-quality furniture for laundry facilities in the industry. Choose tables, service counters, cabinetry, and seating or combination units in a wide range of colors with confidence that it will also stand the test of time.

Whether you are considering giving a modern look with a splash of color to your store or want to ensure that your facility's furniture lasts as long as the store itself, High Mark has just what you need.

High Mark furniture features:

- 1 1/8" board stock for all units
- High-pressure laminate on both sides for a balanced panel
- PVC edge banding
- Heavy-duty commercial grade
- Standard sizes for all furniture but we can also build tables, service counters and cabinetry to custom measurements (seating units come in standard sizes only)
- More than 200 colors to mix and match with bulkheads
